

This Way and That: A Kid s Thoughts on Some Things (Paperback)

By Aidan Crossley

Createspace, United States, 2014. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****. A composition of life experience, the process of thought and emotion, and a discombobulated, semi-autobiographical telling of the story of a boy growing into a young adult. This Way and That plays with the ideas of subjective tribulation, fear, discovery, knowing, and love. These concepts are made apparent and upright through a contemporary poetic narrative, capturing brief moments in time and crystallizing them forever.

Reviews

This ebook is worth purchasing. It is written in straightforward words and not hard to understand. You will not feel monotony at any time of your respective time (that's what catalogs are for about in the event you ask me).

-- **Eileen Kling I**

Very useful to all categories of individuals. It is one of the most amazing publications I have got read through. You will not feel monotony at any time of your respective time (that's what catalogs are for about when you question me).
