

U.S. Climate Finance: Armenia (Paperback)

By U S Department of State

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The U.S. Agency for International Development (USAID) is investing \$1 million in activities to support the integration of Armenia s power system with its northern neighbors, in particular to synchronize and integrate its transmission network with Georgia, thus improving regional energy security and enhancing trade through exchange of electricity. The project will promote sub-regional hydro-power models, assist with regulatory changes that will support transparent cross border trade of clean energy, and promote greater investment in renewable energy development. The activity also will strengthen the capacity of Armenia s Energy Institute.
