Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Have you ever wondered what it would be like to drive for Uber? Have you ever been curious as to what kind of people use Uber? Where they are going? What do they talk about during the ride? How do they behave, or misbehave? This is the book to read! Jessie Newburn s Uber Chronicles: Field Notes from the Front Seat, the first in a series, answers those questions and more . in the form of storytelling. Driving for Uber since early 2016, Jessie chronicles her experiences with each--and every--passenger, from the conversations with interesting people with fascinating stories, to the incredibly everyday, ho-hum-ness of people who just need a ride from one place to another. But don t let the ho-hum-ness of the ride fool you. As Gabe Karpati, one of her earlier readers, says, There is a relaxing magical quality to the way she writes these stories. A sweet quiet zen silence that is shining through every line. Jessie presents these encounters like a meditation, where the seer observes but doesn t get entangled. Ten different days and nights out driving for Uber. Fifty-six passengers. Fifty-six stories. So, come along for the ride. Join in. Listen in. And experience what Uber is like from the front seat of the car.
