McSweeney's Publishing. Paperback. Book Condition: new. BRAND NEW, The Believer: Issue 113, Vendela Vida, Heidi Julavits, Andrew Leland, The Believer, a five-time National Magazine Award finalist, is a bimonthly literature, arts, and culture magazine. In each issue, readers will find journalism and essays that are frequently very long, book reviews that are not necessarily timely, and interviews that are intimate, frank, and also very long. There are intricate illustrations by Tony Millionaire and a rotating cast of guest artists, poems, a comics section, and regular columns by Nick Hornby and Daniel Handler. In The Believer's fall issue, Pablo Calvi reports on an oil pipeline that threatens Ecuadorian indigenous populations, Alex Mar has tea with the Church of Satan's high priest, Daniel Werb discusses harm reduction in Tijuana, and Esme Weijun Wang explores living with schizophrenia. Other essays focus on the anarchist who's quietly fanning the flames of our country's insurrectionary movements and the irresistibly gothic family whose middle son is the inspiration behind Bolano's mad-genius poet in 2666. There are poems by Kay Ryan and Kathleen Ossip, in-depth interviews with Megan Rapinoe, Michael Schur, Jerry Stahl, Sheila Nevins, Ronald Cotton, and Miranda July, and a special section on the theme of silence with work by Diane Cook, Sara Novic, Stephen Burt, Rachel Z. Arndt, Matthew Zapruder, and JW McCormack.
