Read Books, United Kingdom, 2013. Paperback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. This early work by William Hope Hodgson was originally published in 1914 and we are now republishing it with a brand new introductory biography. The Diamond Spy is a short story in which Captain Gault attempts to smuggle diamonds past the customs officials. William Hope Hodgson was born on 15th November 1877, in Blackmore End, Essex, England. Hodgson s first published short story was The Goddess of Death published in 1904. In 1907 he produced his first full-length novel The Boats of Glen Carrig . He wrote many tales inspired by his time at sea, such as the Sargasso Sea Stories, which included titles such as From the Tideless Sea (1907) and The Finding of the Graiken (1913). He received much critical success for his short stories and novels but remained relatively poor. He is now widely remembered for The House on the Borderland (1908) and The Night Land (1912), both of which contain elements of science fiction. Upon the outbreak of World War I. Hodgson became a Lieutenant in the Royal Artillery. He received a mandatory discharge due to falling from his horse but re-enlisted and was killed by an artillery shell at Ypres in April 1918.
