INGRAM PUBLISHER SERVICES US, United Kingdom, 1992. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Eric Clapton s position as the world s greatest rock guitarist is unlikely to change in our lifetime. His career over the past four decades has been closely followed by millions of fans, as a member of the influential Yardbirds, John Mayall s Bluesbreakers, Cream, Blind Faith, Derek and the Dominoes, and for many years as a highly successful solo artist. He has a vast catalogueue behind him. His rise to guitar hero in the 60s led to a much documented involvement with drugs. The historic Rainbow concert marked the beginning of his return. His turbulent marriage to Patti Boyd was another media favourite. Ultimately it is Clapton s music and complete mastery of the electric guitar which is his most important attribute. Unavailable for several years, Shapiro s earlier study, Slowhand, established itself as one of the classics of rock biography. Here the life is fully reappraised and brought up-to-date to cover the tragic death of Clapton s son, Conor, in 1991 and includes a complete discography and many previously unpublished photographs.
