

Love Letters to the World (Paperback)

By Meia Geddes

Poetose Press, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is an exercise in love, an attempt at developing taste, a test of how sweet a word can be, an ode to moments. This is a manifestation of slowness and quiet and sunshine, early mornings and late evenings, glad memories and slender times. This is yearning and giving, an extended meditation on letters, what they can and cannot do for one's being. Meia Geddes debut LOVE LETTERS TO THE WORLD -- a series of 120 lyrical prose poem missives -- addresses the world as body, concept, stranger. Ultimately, this collection is a quiet celebration and exploration of life, love, language, and one's place in the world.

Reviews

This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be he best publication for at any time.
