

The The New Encyclopedia of Southern Culture: The New Encyclopedia of Southern Culture Religion v. I (Paperback)

Filesize: 4.45 MB

Reviews

This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be he best publication for at any time.

THE THE NEW ENCYCLOPEDIA OF SOUTHERN CULTURE: THE NEW ENCYCLOPEDIA OF SOUTHERN CULTURE RELIGION V. I (PAPERBACK)

The University of North Carolina Press, United States, 2006. Paperback. Condition: New. New edition. Language: English . Brand New Book. Evangelical Protestant groups have dominated religious life in the South since the early nineteenth century. Even as the conservative Protestantism typically associated with the South has risen in social and political prominence throughout the United States in recent decades, however, religious culture in the South itself has grown increasingly diverse. The region has seen a surge of immigration from other parts of the United States as well as from Latin America, Asia, and the Middle East, bringing increased visibility to Catholicism, Islam, and Asian religions in the once solidly Protestant Christian South. In this volume of The New Encyclopedia of Southern Culture , contributors have revised entries from the original Encyclopedia on topics ranging from religious broadcasting to snake handling and added new entries on such topics as Asian religions, Latino religion, New Age religion, Islam, Native American religion, and social activism. With the contributions of more than 60 authorities in the field - including Paul Harvey, Loyal Jones, Wayne Flynt, and Samuel F. Weber - this volume is an accessibly written, up-to-date reference to religious culture in the American South.
