Reviews

Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have studied inside my individual daily life and may be the greatest ebook for at any time.

THE YALE LITERARY MAGAZINE, VOL. 18: NOVEMBER, 1852 (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Yale Literary Magazine, Vol. 18: November, 1852 Nestle! The winds are growing brave and cold. They rattle the shutters - they shake the doors - they come slyly in at the window-pane which some vagrant pebble has shattered. There is a rushing sound of might, too, among the old elms without, but there is no melody. The leaves that used to rustle music have fallen. The harp is unstrung. The days, when we sat upon the grass, under the old trees in the College yard, panting with heat and wondering what kind of a sensation celd would be, are, for the present, gone. The sunbeams are pale and chill. The mornings are no longer cool, but cold. You shiver through Prayers and Recitation. Great coats and muf?ers stalk the streets, all day. The winds are whistling to the great fierce dogs of winter. They are coming. We seem to hear their baying, and the timid Summer-spirit, beautiful and delicate, has been frightened away. Winter is surely coming. Cheerful, old Winter with its rigors! Come then and sit down by my fireside. It is but an humble one. None of your great old-fashioned country fire places, where they pile the logs - real veritable logs on the great broad hearth, and the fire glows and roars fiercely - nor yet is it one of those cosy, city firesides, where a comfortable but fastidious elegance seldom warms itself into real ease; but a student s grate, warm, and burning so quietly as not to disturb the very even tenor of our thoughts. It has charmsyou will not find elsewhere. Come and sit with me of an evening. About the Publisher Forgotten Books...
