TIALOC: BOOK OF THUNDER (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Two thousand years ago, the Thunder died, now in the year 2717 we will hear it again. Mankind has left behind the wreckage of what is now known as Broken earth and grabbed the stars for themselves. But in an age where mankind has touched the face of eternity, there is also turmoil and strife. Eight years have passed since the great conflict with the Leonine Warrior race, the Thannisians, and the many races of the Interplanetary Council remain as fragmented as ever. Bloodshed and struggle float between moons and at the heart of it all is the manipulative corporation K.R.O.N.E. Yet far away, on a distant planet called Elysium during the Foyers Day Festival, a group of Stargazers are landing with an effort to make a quick buck and a fast getaway. Their actions will decide the fate of thousands and unlock a mysterious power, long thought dead that traces its beginnings back to the myths of Broken Earth. What will become of them? Will their actions inspire war? Or are they merely participants in a larger plan, the likes of which they cannot possibly comprehend?.
