LINEAR GEOMETRY (PAPERBACK)

Dover Publications Inc., United States, 2008. Paperback. Condition: New. Language: English . Brand New Book. Most linear algebra texts neglect geometry in general and linear geometry in particular. This text for advanced undergraduates and graduate students stresses the relationship between algebra and linear geometry. It begins by using the complex number plane as an introduction to a variety of transformations and their groups in the Euclidean plane, explaining algebraic concepts as they arise. A brief account of Poincare s model...
