House Building From Container: 80 Useful Hacks And Ideas On Building Shipping Container Home BOOK #1: Shipping Container Homes. Dream Or Reality? Amazing Ideas On How To Build Get Organized Using shipping containers to build homes - sometimes known as Cargotecture - is rapidly growing in popularity all over the world. Containers are used to create homes, offices, storage spaces and emergency accommodation. Containers are relatively cheap, eco-friendly (since they do not require new materials to construct and are saving space in landfill) and allow the builder to create beautiful, imaginative and individual homes. They are easy to install and transport, quick to convert and sturdy enough to stand up to extremes of weather. BOOK #2: Shipping Container Home. Great Design and Construction Ideas On How To Build A Shipping Container House And Live In! Have you seen the latest craze when it comes to building a home? They re known as shipping container homes, and they re very economical as well as environmentally friendly when they re constructed right! Whether you re a handy person who is confident they can build their own home, or you re someone who is going to need contractors, you can design, plan, and build your very own shipping container home using the information found in this book! Shipping container homes are built out of, you guess it, shipping containers! There are many different sized shipping containers, and different qualities, too. So be sure to do your research on which ones you ought to use and figure out what size you would like your home to be before you get started.
