I first met Mr. Remington Solander shortly after I installed my first radio set. I was going in to New York on the 8: 15 A. M. train and was sitting with my friend Murchison and, as a matter of course, we were talking radio. I had just told Murchison that he was a lunkheaded noodle and that for two cents I would poke him in the jaw, and that even a pin-headed idiot ought to know that a tube set was better than a crystal set. To this Murchison had replied that that settled it. He said he had always known I was a moron, and now he was sure of it. This item ships from La Vergne, TN. Paperback.
