Penguin Books Ltd, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. A funny and uplifting fable about the journey to learn who we are, from the bestselling author of *The Yellow World*. Dani has devoted his life to finding missing children. One day, as his girlfriend starts packing her bags to leave him, he gets a phone call from a distraught father asking for help. It s a strange case, one that Dani wouldn t usually take on. But, when he hears his girlfriend slam the front door, and his apartment falls into silence, he realizes it s one he can t turn down. His journey to find the lost boy takes Dani over the seas to the sleepy Italian island of Capri - a place infused with a kind of hazy magic, which begins to conjure up in Dani s mind long-forgotten memories of his own childhood. And, as he starts to unravel the story of his own life, he realises that he is not just on a quest to save the missing child - he is also on a quest to save himself. Quirky, warm-hearted, and honest, this is an uplifting parable of memory and forgiveness, as a man makes a life-changing journey across an island and into his own heart. Told in simple, emotionally-honest prose, it reveals how, by revisiting the past , we can change the shape of the future.
