By Elmer Kelton

St Martin s Press, United States, 2008. Paperback. Condition: New. Reissue. Language: English . Brand New Book. The Time It Never Rained was inspired by actual events, when the longest and most severe drought in living memory pressed ranchers and farmers to the outer limits of courage and endurance. --Elmer Kelton Rio Seco was too small to afford a professional manager for its one-room Chamber of Commerce. And Rio Seco, meaning dry river in Spanish, symbolizes the biggest enemy of the ranchers and farmers in 1950s Texas, an enemy they can t control: drought. To cranky Charlie Flagg, an honest, decent rancher, the drought of the early 1950s is a battle that he must fight on his own grounds. Refusing the questionable assistance of federal aid programs and their bureaucratic regulations, Charlie and his family struggle to make the ranch survive until the time it rains again--if it ever rains again. Charlie Flagg, among the strongest of Elmer Kelton s memorable creations, is no pasteboard hero. He is courageous and self-sufficient but as real as his harsh and unforgiving West Texas home country. His battle with an unfathomable foe is the stuff of epics and legends.

Reviews

I just started out looking at this ebook. This can be for those who statte there had not been a worthy of reading through. You can expect to like the way the blogger publish this ebook.
