WINDOWS OF MY SOUL (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Windows of My Soul is a collection of the author s thoughts and feelings in poetic style. A while back he gave a reading of his poems to a book club. Afterwards, a lady came up to him and said, I feel like I know you. He answered, In a way, you do. I just revealed myself through my writings. I m glad that I felt free enough to do that. She responded, Thank you for letting us experience your vulnerability. In sharing yourself, you gave us the gift of accepting our own humanity and feeling comfortable in our own skin. You ve given us more than you know and I wanted to thank you for that. So now he offers himself through his words to anyone who is open to take in all that he shares. May you experience the peace and joy that comes with accepting yourself just the way you are. May you rejoice in loving yourself and offering your gift to those around you.
