Want To Land An Internship At JP Morgan Our internship expert, Erin, has fought for her spot at top bulge bracket banks and boutique firms. She knows how stressful it can be to face case study questions at interviews, and she wants to help you stand out from the thousands of other applicants to earn your position at JP Morgan. Erin guides you step-by-step from interview preparation to conquering the 90-hour work week. You're a business major with dreams of a fast-paced, high-intensity career on Wall Street. You know that internships and work experience are the key to landing jobs after college, and you'll need every possible advantage to outshine other qualified students competing for the same summer internship. Erin's tips will give you an unfair advantage over your toughest competitors as you network at info sessions, nail your interview questions, and rise to the top of your internship class.
