Change is everywhere these days - at times it seems like barely controlled chaos. Yet within this turmoil are the seeds of a higher order. When a new system arises from the ashes of the old, science calls the process emergence. By engaging it, you can help yourself and your organization or community to successfully face disruption and emerge stronger than ever. In this profound book, Peggy Holman offers principles, practices, and real - world stories to help you work with compassion, creativity, and wisdom through the entire arc of change - from disruption to coherence. You ll learn what to notice, what to explore, what to try, and what mindset opens new possibilities. This work can be challenging but also tremendously rewarding. It enables new and unlikely partnerships and develops breakthrough projects. You become part of a process that transforms the culture itself. Very useful in giving structure and form to ways of dealing with the unpredictable and volatile way the world comes at us. A powerful antidote to the change management illusion that the future can be driven, engineered, managed, and drilled. - Peter Block, author of Community A dance manual for how to move gracefully with the disruption, uncertainty, and mystery that are part of life s rhythms, how to welcome interruption and discontinuity as opportunities for creativity, community, and greater capacity. - Margaret J. Wheatley, author of Leadership and the New Science Provides practical advice for orchestrating conflict and moving through discomfort to reach a new coherence. - Ronald Heifetz and Marty Linsky, cofounders of Cambridge Leadership Associates and coauthors of Leadership on the Line and The Practice of Adaptive Leadership Peggy...
