*Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).

Gypsy Shadow Publishing Company, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.What happens when Beauty becomes the Beast . . . ? A vampire who has slaked his taste for terror through centuries of history s darkest eras puts a hold on his covert attacks on America in order to pursue a secret vendetta against a beautiful bi-racial woman who has scorned him. But the woman has a secret of her own. She is a metamorph, a hybrid shape-shifter with the healing powers of the vampire, the heightened senses and strengths of the werewolf, and the needs that accompany both. Needs that conflict with her strong moral code; needs which compel her to conceal her extra-human identity from the mortal man she has grown to love. Metamorph combines known history with speculative fiction, a strong female protagonist, and the pitting of a creature of unmitigated evil against a pair of unsuspecting lovers in a complex cat-and-mouse pursuit.
