John Beaufoy Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, A Lady's Life in the Rocky Mountains, Isabella L. Bird, Hailing from both sides of the Atlantic, the authors included are as diverse as Edith Wharton, Henry James, Ernest Shackleton and Alfred Russel Wallace. Every title has been reset in a contemporary typeface, and has been printed to a high-quality production specification, to create a series that every lover of fine travel literature will want to collect and keep. Isabella Bird, an Englishwoman whose extensive travels and writings earned her the first female membership of the Royal Geographic Society, visited the Rocky Mountains alone during the autumn of 1873. "A Lady's Life in the Rocky Mountains", gives a fascinating description of life in the untamed Colorado Territory at a time when it was only notionally under the control of the American authorities, having been brutally seized from the Indians. Her intrepid journeys through remote areas are relayed in the form of fluent, achingly beautiful, highly spirited letters written to her sister. They tell of magnificent unspoiled landscapes, of small remote townships, of her encounters with rattlesnakes, wolves, pumas and grizzly bears and her reactions to the volatile pioneer settlers as they came to terms with their isolation, poverty and difficulties as immigrants in the wake of the Civil War. These letters, first published in 1879, were enormously popular in Bird's own lifetime and remain as wonderfully vivid and powerful as ever.
