

Make Our Kids Happy / The Game: Two Books in One (Paperback)

By Petya Bankov

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is a Two in One book, which contains the following titles: Make Our Kids Happy (and other general life happiness thoughts) - What is happiness? How can we achieve it? Can we help our kids be happy? The book is based on a my real life story and an unexpected life changing event, which led me to make many conclusions, I wouldn't make in ordinary circumstances. By writing it I hope to reach many people and make them think about certain things in life, and if my book makes a difference for better, even for one person, then it's worth writing it. The Game - Nine non-standard stories, some with good sense of humor, others with a bit of philosophy and food for the brain. Some show things from life, others are more imaginary. All of them are enjoyable, though. I personally could read them over and over again:).
