Reviews

It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

In *Sell with a Story*, he identifies the ingredients of the most effective sales stories and reveals how to: Select the right story Craft a compelling and memorable narrative Incorporate challenge, conflict, and resolution Use stories to introduce yourself, build rapport, address objections, add value, bring data to life, create a sense of urgency, and more Complete with model stories, skill-building exercises, and enlightening examples from Microsoft, Costco, Xerox, Abercrombie Fitch, Hewlett Packard, and other top companies, this powerful and practical guide gives you the tools you need to turn your experiences into stories that sell.
