

## Theosophy as an Empirical Science

By Douglas Clyde MacIntosh

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Those who are acquainted with Dr. MacIntosh s Problem of Knowledge, will take up this book with large expectation and will not be disappointed. It is a book not for those who have no doubts, but rather for those who seek apart from tradition and dogma the confirmation of Christian belief. From the beginning the author aims to meet the attack of scientific doubt and to defeat it upon scientific grounds rather than by appeal to authority or dogma. Through the volume he holds to the scientific validity and reality of religious experience and hopes to discover therein all the facts needed for a tenable working theology. Just as William Newton Clarke brought an answer to the theological questionings of fifteen years ago the author will do an undoubted service to the present time. The direct resort to religious experience for the proofs of ordinary doctrine is made because the writer believes that Speculation can only elucidate what is involved in a hypothesis. It cannot, apart from any resort to experience provide verification. . . . And if...
