Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from AEschylus: Tragedies and Fragments I have been led by the interest which I found in the work of translating Sophocles, and in part also by the reception which my translation met with, to enter on another, and, in some respects, more difficult task, in which I have had predecessors at once more numerous and of higher mark. I leave it to others to compare the merits and defects of my work with theirs. I have adhered in it to the plan of using for the Choral Odes such unrhymed metres, observing the strophic and antistrophic arrangement, as seemed to me most analogous in their general rhythmical effect to those of the original; while, for the sake of those who cannot abandon their preference for the form with which they are more familiar, I have added, in an Appendix, a rhymed version of the chief Odes of the Oresteian trilogy. Those in the other dramas did not seem to me of equal interest, or to lend themselves with equal facility to a like attempt. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
