

First Annual Report to the Corporation and Members of the American Society for the Extension of University Teaching, 1893 (Classic Reprint) (Paperback)

By Edmund J James

Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from First Annual Report to the Corporation and Members of the American Society for the Extension of University Teaching, 1893 We think it is not too much to say that, everything considered, a good start has been made in the direction of creating such a technical literature. Careful papers have been prepared upon the function and methods of University Extension work, upon the University Extension lecturer, what he should do and what he should be, upon the place and form of the class, upon the character, form and content of the syllabus, upon the place of the examination in this scheme of instruction, upon the duties and organization of local committees, upon the most efficient methods of stimulating study on the part of University Extension students, etc., etc.; taking up one after another, and as fully as circumstances permitted, the investigation of each of the difficult questions of policy relating to this subject. That the result accomplished along this line has been felt to be a service by others than those engaged in our own work, is...
