Partridge Publishing India, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This is a fascinating tale of three girls who encountered amazing adventures as young teenagers, shared beautiful moments, and had a great sense of camaraderie. But as they embark on a journey of life, they encounter a chain of events that change their lives for the better or worse. It is a tale of the rewards, the medley of emotions they experience, the constraints they face, and the perils of breaking free from the past that finally shape their passage to independence. Both of you are at the cusp of an exciting stage. Things are not so rosy for me. I am depressed by this dull and weary life was what a young girl, Anne, had told her smart city-bred friends. Anne did not complain and did not feel sorry for herself. She danced when the sun shone, lay low in winter, collected colorful fall leaves in autumn, enjoyed her walk in the spring. She enjoyed the seasons of her life. Her friends Meena and Sunita chose to liberate themselves from the marriage to seek adventure, freedom, and independence, but were they jeopardizing everything they had? The journey of life of these three girls is filled with a magical mosaic of love, friendship, betrayal, despair, and hope. We are shown how, when encountering struggle and dealing with our inner conflicts, we learn important lessons that are sometimes bitter and sometimes sweet.
