

Is God Logical?

By Clavaire Elanga

Xulon Press, United States, 2009. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Is God logical? A philosophical question, naturally metaphysics, around which gravitate numerous existential concerns, where confront one another anthropologists, biologists, astrophysicists, cabbalists, exegetes of any edges. Who is God? Supreme Being? Impersonal law or principle? What is the origin of Social inequalities? Why a so powerful and benevolent God lets a believer suffer? Are there in cosmos some forces that determine our activities? With such number of forces, can a human being still be free? In an underlain dialectic of extraordinary experiences, the author tells of the famous ideological currents of last centuries. Thus, he is opening vast skylines to the demystification of mesocosmical entities and paranormal phenomena. We would not pretend to have exhausted all questions developed in this work rich in information and necessary to read oneself. Clavaire Elanga was born in 1960 at Mbaldjap (Akonolinga) in Cameroon. Psychologist by training, he taught in Teachers Training Colleges in Cameroon before he immigrated to U.S.A. Fascinated by Martial Arts in his youth, he converted himself to Christ in 1988 and received baptism in the Holy Ghost....
