LITTLE THINKERS (PAPERBACK)

Xulon Press, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The First Amendment of the Constitution clearly says, Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof. In 1947 the United States Supreme Court illegally passed the ruling on Separation of Church and State, prohibiting the free exercise of religion. Since then crime and immorality have skyrocketed at an exponential rate, vastly overcrowding our prisons, and causing many undesirable results. Why would our Supreme Court Justices create such devastation to America by this well-meaning action? The answer is simple. There are hundreds of questions about creation, God and the Bible that Christians cannot answer and the result is that many people believe that the Bible is mythology and God does not exist. Therefore, it is reasonable to restrict its teaching in schools and public places because the public is greatly deceived by such teachings. When asked questions, many Christians are dumbfounded and unable to answer. An example is, If God made Eve out of one of Adam s ribs, why do men have the same number of ribs as women, with none missing? The answer is very simple and logical, yet how many Christians can answer? The DNA and genes in Adam did not change when God removed one of Adam s ribs any more than they would change if a doctor removed one of your ribs. The DNA and genes in Adam and Eve were transferred to their children. These contained the same number of ribs that God originally put in Adam; therefore today both genders have the same number of ribs. This book answers questions that nonbelievers and many other religious groups might ask, preparing Christians to accomplish the goal that God gave them: to...
