Siddharth Rana, the Joint Director of the IB, is at his wits end attempting to unravel that mystery. Working with the blindest of clues, Siddharth has to race against time to prevent terrorists from achieving their horrific goalan India laid low by acatastrophe of biblical proportions. This is a story that leaps across continents, gets to the heart of convoluted terrorist plots and attacks and amazes you with its exposition of hightech gadgetry and science. It is equally a story of breathtaking bravery, recounted at a mindblowing pace. At its core, it is also a story about the beauty of relationships.
