Reviews

Thorough manual! Its this kind of excellent study. It really is written in straightforward terms and never difficult to understand. I am very happy to inform you that this is basically the very best pdf we have read through during my individual existence and could be the greatest ebook for possibly.

Anness Publishing, United Kingdom, 2015. Paperback. Book Condition: New. 280 x 215 mm. Language: English . Brand New Book. This title comes with over 50 reusable stickers. You can see which things are the same size, compare big and little things, thick and thin things, long and short things, wide and narrow things - and have fun spotting things that are completely the wrong size! You can find ten tiny seashells, seek out the same-size strawberries, decide whether the ball is too big for the racket, and other sticker-based challenges. It is full of action photographs of children, animals, food and toys that youngsters will enjoy looking at. Two pages of stickers include pretty flowers, bright marbles, cute kittens and playful puppies. The bright pictures interact with the simple text to help develop skills. It is a fun introduction to sizes for young readers, which entertains as well as educates. This themed word-and-picture book makes it really easy to learn. Packed with fun, bright photographs, stickers and games, it will teach young children all about different sizes. They will delight in finding the biggest doll, building the tallest tower, choosing the tiniest tomato, serving a party cake that is far too big for its plate, and all the other simple sticker puzzles. The stickers are reusable, so young readers will be able to complete the activities again and again, and use the stickers to create their own books, posters and games.
