Everyone worth his salt knows that a snappin turtle wont let go until it thunders, but did you know that more than thirteen blackbirds on a fence with their tails to the north is a sure sign of a coming blue norther Or that you should eat every grain of rice in your bowl or you will have a spouse who has chicken pox marks Think of the needless human suffering the world has endured simply because no one bothered to collect the combined wisdom of the folk and to make it available for quick reference! Thanks to Kenneth W. Davis and Everett A. Gillis, those dark days are now at an end.
