

Crime Its Cause and Treatment

Filesize: 4.31 MB

Reviews

I just started off reading this article publication. It is definitely simplistic but surprises in the 50 percent of your ebook. You are going to like how the author create this publication.

(Clint Labadie)

CRIME ITS CAUSE AND TREATMENT

Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This book comes from the reflections and experience of more than forty years spent in court. Aside from the practice of my profession, the topics I have treated are such as have always held my interest and inspired a taste for books that discuss the human machine with its manifestations and the causes of its varied activity. I have endeavored to present the latest scientific thought and investigation bearing upon the question of human conduct. I do not pretend to be an original investigator, nor an authority on biology, psychology or philosophy. I have simply been a student giving the subject such attention as I could during a fairly busy life. No doubt some of the scientific conclusions stated are still debatable and may finally be rejected. The scientific mind holds opinions tentatively and is always ready to reexamine, modify or discard as new evidence comes to light. Naturally in a book of this sort there are many references to the human mind and its activities. In most books, whether scientific or not, the mind has generally been more closely associated with the brain than any other portion of the body. As a rule I have assumed that this view of mind and brain is correct. Often I have referred to it as a matter of course. I am aware that the latest investigations seem to establish the mind more as a function of the nervous system and the vital organs than of the brain. Whether the brain is like a telephone exchange and is only concerned with automatically receiving and sending out messages to the different parts of the body, or whether it registers...
