Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Who are you? I was challenged at the beginning of 2014 to take one selfie each week and post it on Facebook. Of course with my reputation as an award-winning photographer and Photoshop expert I couldn t post just any old selfie. Mine had to be a bit more complex, a bit more imaginative than just a snap from a smart phone. By the comments I received after posting them on Facebook, it seems my artistic flair did not disappoint. So rather than have those photos disappear in the ether of the digital world, I thought I d publish them in a book for all the world to enjoy in perpetuity. You may not know me, nor have any interest in gazing upon my face, but you just might be inspired by some idea in this book to create YOUR OWN best selfie.or perhaps a unique portrait for someone you love. Why not grab a copy now and have a look see?.
