Trading Made Easy: The definitive beginners guide to profiting in all market conditions

By Todd M. Mitchell

Trading Concepts Publishing. Paperback. Condition: New. 128 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. Many are attracted by the freedom, independence and unlimited wealth potential that trading offers but too few traders take the time to gain a firm foundation of understanding what trading involves before they get started. Knowing how to read the markets, avoid making emotional decisions, and really knowing the type of trading that will work best for your unique personality are the skills that can turn trading failure into success. Have you heard about trading, but think you don't know enough to get started? Have you tried trading the markets but found it impossible to obtain consistent results? Have you tried trading and lost more money than you've made? Have you been trading a while and can't break out of the habit of trading water? If you answered yes to any of these questions, then this book offers you the key to gaining positive, consistent trading results in any market and during all market conditions. In this book you will become familiar with how the markets work, from basic terminology to charting market trends. Inside, you'll learn the basics of trading, including: Types of traders, What markets can...
