

The Mystery of God: Theology for Knowing the Unknowable (Paperback)

Filesize: 4.56 MB

Reviews

This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).

Baker Publishing Group, United States, 2012. Paperback. Condition: New. New. Language: English . Brand New Book. How can I know God if he is incomprehensible? Is it possible to know God in a way that takes seriously the fact that he is beyond knowledge? Steven Boyer and Christopher Hall argue that the mystery of God has a rightful place in theological discourse. They contend that considering divine incomprehensibility invites reverence and humility in our thinking and living as Christians and clarifies a variety of theological topics. The authors begin by investigating the biblical, historical, and practical foundations for understanding the mystery of God. They then spell out its implications for theological issues and practices such as the incarnation, salvation, and prayer, rooting knowledge of God in a concrete life of faith. Evangelical yet ecumenical, this book will appeal to theology students, pastors, church leaders, and all who want intellectual and practical guidance for knowing the unknowable God.
