THE CONSTRUCTIVE PROBLEMS OF WORLD DEMOCRACY (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Constructive Problems of World Democracy The Men s Bible Class of the First Church presents this booklet with an invitation to all men in Oak Park who have no membership in an organization of this character, and who are interested in the application of Christian principles to the work of world-reconstruction, to join this class and participate in its discussions. The class is just beginning a new course of study under the inspiring leadership of Dr. F.B. Moorehead, whose high standing in his profession and notable service to his country are equalled by his zeal as a Bible student and his ability as a teacher. As introductory to this course of study, the Class invited Dr. Barton to deliver an address on the Sunday following the signing of the Armistice, outlining the essential problems of our country and the world in the period of reconstruction. Dr. Barton s address followed immediately after a sermon on The Rebuilding of the World, in which he had treated the more definitely religious aspects of the subject. By request he has included in this pamphlet one or two paragraphs from his sermon, especially that relating to the Congress of Vienna, which seemed to suggest an instructive parallel and to be in direct line with this study. We commend this address to the thoughtful reading of those who shall receive it. In our judgment it is worthy of serious consideration. But the particular purpose of the class in printing it, and one to which we wish to call special attention, is its use in suggesting themes for discussion and points of departure for the work of the class. The...
