## Reviews

This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).

Blue Rose Productions brings you stories that ignite your enthusiasm for otherworldly beings and satisfy your inner child that just wants to enjoy makebelieve. Diving into world where the very fabric of existence is different from our own reminds us we are only specs of life floating in a sea of endless possibilities. Resisting the Blue Chip: John thought his days of belonging to the government would be over as soon as his enlistment ended. When he receives a job proposition from the CIA, he ignores it. He soon finds out the proposition is not an offer it is a sentence. He has been chosen for the Blue Chip Program and they wont take no for an answer. The Last Underwater City: As the earths land becomes completely flooded, humans must find a way to live underwater. The last standing city that has managed to survive the floods and find shelter underwater is now being attacked by an intelligent - and deadly - alien species. Is the human race doomed to become a food source for these aliens Join Brock, the captain leading his squadron into the depths of the ocean, as they find out exactly what they are up against. The Invisible Scientist: Peter knows he was only a few formulas away from discovering the next big scientific breakthrough how to become invisible. As he uncovers the ingredients for invisibility, his experiments take an unexpected turn leaving Peter alone in a world where only his lab rat can see him. Forgotten Human: In a time when cyborgs have taken over Earth,...
