Temple Lodge Publishing, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book. The Mystery of the Resurrection approaches the deepest mysteries of the Turning Point of Time through Rudolf Steiner's spiritual research. At its heart stands the question of the restoration of the phantom of the physical body, and its transformation into the resurrected body of Christ through the Mystery of Golgotha. The author draws a broad and differentiated picture of the tasks and possibilities that the Easter event, as well as Ascension and Whitsun, present - both for the individual and humanity. The final chapter considers the mystery of Easter Saturday, through which the two polar aspects of the Mystery of Golgotha - death and resurrection - interconnect, at the same time explaining the relationship of the Earth Spirit to the interior of the Earth. An appendix tackles the phenomenon of stigmatization from a spiritual-scientific perspective.
