

Globalization and History: The Evolution of a Nineteenth-century Atlantic Economy

Filesize: 7.45 MB

Reviews

Merely no terms to explain. it was actually writtern quite properly and helpful. I realized this pdf from my dad and i suggested this ebook to discover.

(Cletus Quigley)

GLOBALIZATION AND HISTORY: THE EVOLUTION OF A NINETEENTH-CENTURY ATLANTIC ECONOMY

MIT Press Ltd. Hardback. Book Condition: new. BRAND NEW, Globalization and History: The Evolution of a Nineteenth-century Atlantic Economy, Kevin H. O'Rourke, Jeffrey G. Williamson, Globalization is not a new phenomenon, nor is it irreversible. In Globalization and History, Kevin O'Rourke and Jeffrey Williamson present a coherent picture of trade, migration, and international capital flows in the Atlantic economy in the century prior to 1914—the first great globalization boom, which anticipated the experience of the last fifty years. The authors estimate the extent of globalization and its impact on the participating countries, and discuss the political reactions that it provoked. The book's originality lies in its application of the tools of open-economy economics to this critical historical period—differentiating it from most previous work, which has been based on closed-economy or single-sector models. The authors also keep a close eye on globalization debates of the 1990s, using history to inform the present and vice versa. The book brings together research conducted by the authors over the past decade—work that has profoundly influenced how economic history is now written and that has found audiences in economics and history, as well as in the popular press.
