## International Accounting Standardization (Paperback)

By Jenö Beke

Chartridge Books Oxford, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. International Accounting Standardization examines the key area of international accounting standards. Nowadays, especially during the current global financial crisis, companies are striving desperately to remain competitive and achieve sustainable levels of economic development. This book shows that international accounting standardization, i.e., similar accounting transactions are treated the same by companies around the world, results in globally comparable financial statements. The highly competitive environment requires companies to create a clear business strategy, and accounting has to be part of this strategy since it helps individual enterprises to achieve their strategic objectives. International accounting standards are new global methods for business information systems and they are able to harmonize financial regimes world-wide. The increased globalization of markets, the complexity of commercial trading and the concentration of business in global competition have led to a still greater need for international standardization. Key features include: international accounting standardization process; unified financial regime; accounting harmonization; business globalization; economics of accounting standards; influencing factors of accounting standardization; accounting peculiarities of countries inside and outside of the European Union; universal accounting methods effects on business decisions and management performances; measurement classification of...
