TABLES OF KNOWLEDGE: DESCARTES IN VERMEER S STUDIO (HARDBACK)

Cornell University Press, United States, 2006. Hardback. Condition: New. Language: English . Brand New Book. Descartes believed that his analytic model applied to all fields of research and that all branches of science lead to truth. His many analogies with literature and art notwithstanding, Descartes offers an entry into knowledge that fails nevertheless to take into account how in the seventeenth century Dutch painters such as Vermeer similarly order a view of the world by concentrating on the properties of...
