Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Six short tales of the Adam Seville Studio, a small place in New York that holds private showings, by invitation only, of the latest work by the artist. Not satisfied with the typical materials used in the art world, Adam incorporates living men into his pieces. It s interactive, sensual work that makes the model wonder if they are a permanent part of the exhibit. Connor Jackson delivers himself to the studio for a project Adam titles Silver Skin. That coloring is just temporary. Isn t it? Connor experiences bondage like nothing he ever has before for Adam s project called Canvas. And once you re helpless, even something like breathing can be taken out of your hands. For Statuary, Adam enlists Kip to literally be joined with Connor. Adam proves that when it comes to human statues, two is better than one. Connor is put into over-the-top bondage for The Cube. This time though, he s not just kept on the studio floor. Adam takes him to his upstairs bedroom where things get a kinky start. For Adam s project The Burrito, Kip and Connor are made one again with bondage and breath control that takes them to the edge of pleasure and fear. In the finale, Connor is now living with a listless Adam who seems to have lost his passion for art. Then Adam realizes what he needs is one last exhibit Wired - with himself as the model and Connor as the artist. Enjoy these gay adult tales of sex, bondage, art, peril play, encasement, breath control, and romance.
