PEERS IN THE CLASSROOM: CASE STUDIES IN ADULT HIGHER EDUCATION (PAPERBACK)

New Forums Press, United States, 1999. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. From one student's off hand remark, the idea of a casebook for use in adult education grew into a reality. Regina Lopata Logan and Robert M. Fromberg have collected twenty cases representing various experiences of faculty, students, and administrators which, while not necessarily representing historical facts, are all true. These cases convey a sense of the dynamism and complexity that educators of adults and adult students experience when they return to school in the midst of busy adult roles and responsibilities. This is an ideal workbook for those involved in higher education, especially faculty developers, deans, department chairs, or anyone else who teaches about adults in the classroom.
