

The Grey Museum (Paperback)

By Peter Lorenz

Conundrum Press, Canada, 2013. Paperback. Condition: New. Language: English . Brand New Book. Set in the future, The Grey Museum is a galactic romp, following a small group of survivors as they fend with mystic beings, interstellar parasites and themselves. Everything here is decided by narcissistic gods and goddesses, disturbed spirits, and bored aliens. Our clueless captives are left to wander, meandering their way among ruins, souvenirs, and impossible trails, and the 300-year-old television station attempts to capture it all. The Greys, a cloned race of coffee-drinking pseudo-humanity, have created a machine to contemplate things from a distance and annihilate them by turning them into Awht. We experience death, rebirth and everything in between. The fate of all Earthly life is up to these eight hairy humans preserved in jelly, they just don't know it yet.
