Excerpt from Federal-Grant Research at the State Agricultural Experiment Stations, Vol. 9: Projects on Food Science and Technology; Section A, Food Chemistry, Microbiology, Sanitation and Public Health In addition to the Federal-ggant moneys, the State experiment stations receive some Federal support through cooperative agreements or contracts with the U. S. Department of Agriculture. Information on such research, along with other departmental research, is avail able ih the Central Project Office, Agricultural Research Service. A substantial part of each State agricultural experiment station s research is supported with moneys appropriated by the respective State or Territorial Legislatures and through other forms of private and public financing. Information on current agricultural research at the stations which is not financed under the Federal-ggant program or through usda cooperation can be obtained from experiment station directors.
