Vice Principal Steve Lukather is desperate. Just like last year, an internet bully is terrorizing one of his students at Lakeland Middle School. Last time it ended badly when the victim was found with two slashed wrists after an attempted suicide. This year, after a series of nasty computer messages and an indiscreet photograph of Carly Gillette spread through the student body Lukather knows its happening again. This time hes determined to stop the bully in his tracks before Gillette ends up reaching for a razor blade. Thirteen-year-old Scott Halifax has a juvy rap sheet that could peel wallpaper but hes just what Lukather needs -- a street-smart, tech-savvy kid with no roots. Lukather makes a deal with Halifax: go undercover as a student at Lakeland and nail the bully in return for a ticket out of the County Detention Center and a clean slate. Once hes in at Lakeland Halifax teams up with Tom Seidel, the nerdy kid that everyone loves to hate. It isnt long before Scott, Tom and Carlys best friend Lisa are working together....
