CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 100 pages. Dimensions: 11.0in. x 8.5in. x 0.2in. Here comes the notebook that is truly friendly to your planning, and learning with visuals! This Dual Notebook Dotted and Lined comes with dot-grid pattern on the left side page and wide rule pattern on the right side page. This dual format pages leave excellent space for sketching in cool things such as diagrams, pictures, charts, etc. on one side and written notes on the other. There are total 100 non-perforated pages, which consist of 50 dot matrix pages on the left and 50 wide ruled pages on the right, plus all these wonderful features! Every page comes with its page number, so you can optionally make your own table of contents or index pages. Great for writing in chapters or taking consequential notes. You can now look up your notes easier and in no time! The book soft cover is laminated with matte finish that helps firm your grips, repel liquid, and toughen the paperback cover, so your notes will stay with you longer. The paperback also makes the book flexible, so it can be written on and bend when you are in a small desk such as the ones in the universities. The book industry standard binding with spine allows the book to be stored neatly on shelf, possibly alongside other books that you have, so you can not only organize your notes, but also the places that you keep them. The book weight is light enough for your carrying along, so it can be an on-the-go companion for your learning or any drawing and writing endeavor. The book size is 8.5 x 11 inches, with wide ruled lines, and generous spacing between dots (0.34 inch)...
