

Essentials of Precalculus with Calculus Previews (Hardback)

By Dennis G. Zill, Jacqueline M. Dewar

Jones and Bartlett Publishers, Inc, United States, 2011. Hardback. Book Condition: New. 5th Revised edition. 277 x 213 mm. Language: English . Brand New Book. Perfect for the one-term course, Essentials of Precalculus with Calculus Previews, Fifth Edition provides a complete, yet concise, introduction to precalculus concepts, focusing on important topics that will be of direct and immediate use in most calculus courses. Consistent with Professor Zill's eloquent writing style, this full-color text offers numerous exercise sets and examples to aid in student comprehension, while graphs and figures throughout serve to illuminate key concepts. The exercise sets include engaging problems that focus on algebra, graphing, and function theory, the sub-text of many calculus problems. The authors are careful to use calculus terminology in an informal and accessible way to facilitate the students successful transition into future calculus courses. With an outstanding collection of student and instructor resources, Essentials of Precalculus with Calculus Previews offers a complete teaching and learning package. Key Features: * Available with WebAssign Online Homework and Grading System * Vibrant four-color design illuminates key concepts and improves students comprehension of graphs and figures. * Translating Words into Functions section illustrates how to translate a verbal...
