Psycho-therapeutic perspective of love . Smearred across delicate yet sensitive territories, the senses of their sentiments Every action concealed in an obvious ambition their vision Where they share pain, regrets and demons Drawn so close to their warmth, passion collides Dancing like particles in the motion of how emotions ignite One touch at a time nurturing guilt for those who mean it Though aching she saves him Though fearful she embraces him Though broken he heals her With absolute dread he trusts her 10 upon 13 then 88 upon 77 Match made in heaven Risen from death There s no pretence The kingdom has been shifted from a paradigm of present sensations to a lifetime of timid and conceivable emotions where notions whisper false accusations in his name where cunning caresses her frame Opposing wants, patiently teasing their resistance then kisses Love and friendship combined-War and peace re-defined their incarnate Valentine A story only known to their souls and graves Forever and always, eternally engraved LOVE.
