

Queer in Black and White: Interraciality, Same Sex Desire, and Contemporary African American Culture (Paperback)

By Stefanie K. Dunning

Indiana University Press, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. This book analyzes representative works of African American fiction, film, and music in which interracial desire appears in the context of same sex desire. In close readings of these texts, Stefanie K. Dunning explores the ways in which the interracial intersects with queerness, blackness, whiteness, class, and black national identity. She shows that representations of interracial desire do not follow the logic of racial exclusion. Instead they are metaphorical and anti-biological. Rather than diluting race, interracial desire makes race visible. By invoking the interracial, black gay and lesbian artists can remake our conception of blackness.
